### **NYICFF Dutch Animation Celebration!**

#### **Recommended Ages 8+**

NYICFF crossed the Atlantic to join forces with Cinekid, The Netherlands' premiere film festival for children, to share a program of the very best of Dutch animation--featuring diverse stories, hilarious romps, inventive animation, and more!

With trusty scissors in hand, *Mr. Paper* makes choice cuts to craft his ideal world. Blooming with artful animation and wistful storytelling, *Emily* was spotlighted as the Netherlands' entry for Oscar consideration. Then three very different kids, all friends, find out what it truly means to walk a day in each other's shoes,...and legs, and torsos in this hilarious International Emmy-award winner.

Inventive design, storytelling and themes combine to make this *Dutch Animation Celebration* a whole lot of fun!
